Woodland Adventure

Sometimes it's tough to be a city girl.

Don't get me wrong, there's a lot going on in the city, and I've been with my share of guys, trying apps and clubs, but I've never been able to find that guy who was interested in more than their next conquest. The few that seem like they might be different are either great at whispering what they want you to hear before letting you go, or they're not adventurous enough. I'm looking for someone who wants to live life while also caring about me and my needs. At some point, even the sex was starting to get predictable, and I was starting to think that maybe the whole sex and dating scene wasn't my thing.

Then I met Brian.

It was a weekend mountain retreat with a few friends from work, and I had recently come off yet another disappointing fling, so I wasn't really looking. But that was where I found him. We were out bar hopping through the small resort town when that voice echoed through the air. I don't even remember what he said, something along the lines of taking our order, but it was how he said it, like butter gently melting over me. I turned to look at him and got lost in his enormous electric blue eyes.

Our bartender was there for only a few seconds at a time, but my friends noticed the sparks and urged me to talk to him. Every time he came by, they all gave me that look, which was nothing under the withering gaze that lingered from that stocky frontier boy. He was maybe 10 years younger than me, and yet every time our eyes locked, he grabbed me with that smile. We talked a little bit each time, but when he stepped out from the back for a break, I quickly followed. I found him just outside and, in a moment of pure lust, I pulled him in and kissed him.

The moment could have gone either way, but he gave me that smile again, and I knew. He led me into the woods a little and leaned me up against a tree where I could hold onto a branch just above my head. And from there, he worshiped me. He began kissing my lusting lips while his fingers deftly

found the buttons to my shirt and the clasp of my bra. In seconds, his tongue was lashing at my nipples, which came to full salute in his hungry mouth. He was a master at playing with my chest. The boob that wasn't getting attention from his mouth was under the care of his rough, but surprisingly tender, hands. And he moved back and forth with such gentleness and ease that it almost felt like he had two tongues and four hands.

Slowly, he allowed his hands to wander further, down my sides toward my hips and ass, grabbing hold of me firmly with both hands. By now, his tongue was playing inside of my mouth, dancing around and exploring in ways that so many men I'd been with didn't bother trying. He was in tune with my body and needs. His eyes watched me intently, the way I moaned, twisted, and turned for him, and he almost seemed to almost know what I needed before I did.

Suddenly my pants were unbuttoned, and his lips were slowly trailing down my long neck and smooth body. I gasped when I felt his tongue finally make it to my clit, where his tongue started the same dance from my mouth. I'd never felt anything like it! This kid knew what he was doing, he was experienced, but in a way that didn't feel like it was about him. My world erupted as he showed me exactly how good he was with that tongue. First, just along the outside before slowly letting himself in. All the while, his eyes are locked on mine, watching for my reaction, guiding my pleasure.

A finger started to crawl up my leg and into my ass, sending me through a jolt of pleasure as his tongue ramped up its efforts. I didn't think I could hold on much longer, but he kept going, keeping me just on the verge of an orgasm. I was moaning loudly and uncontrollably, letting him have full and complete control. Finally, he pulled his tongue almost all the way out before jetting it back in a few times, almost as well as a dick, and with even greater control. He found exactly what he was looking for, a spot even I struggle to find, and I lost it. My entire body went limp, and I let out a scream of pleasure. He didn't let me go until I was out of breath, and even then, he only slowly started kissing back up my body, tenderly finding each nipple and ending with a soft kiss.

I didn't see much more of my friends that weekend. He gave me his number and he showed me he was even better with his cock than his tongue. I don't know if this was another weekend fling or something more, but this city girl now knows where to go when she needs to find an adventure!

– Shelly, In the Peekskills

Dutch Treat

I went on a trip to The Netherlands last summer, and did all the nice touristy stuff. I stayed in a hotel in Amsterdam it was cheap but cosy and right in the middle of town.

One night while walking to my hotel I passed a small casino and went in for a bet. I walked over to one of the four automatic roulette tables they had and was kinda lost staring at the betting screen and the buttons.

A guy sitting at the screen next to me asked me if I knew how to work it. I replied "I know how to work a lot, but not this." with a wink. Only then did I notice how handsome the guy was. Well tanned skin with long black hair, a styled trimmed goatee, about six foot, and a smile to die for.

He explained to me how to play and asked me if I wanted a drink. I told him a soda would be great and watched him walk off. I was standing over the screen watching the roulette wheel spin in anticipation of a

lucky spin when he came back and layed the drinks down next to my screen. He introduced himself as Hans and smiled.

He stood behind me watching over my shoulder for a while, and a couple of times he reached over to place a bet and I would feel him brush past my ass.

This happened a few times and I chose to be brave and place a different kind of bet. I let my left hand drop down and

reached back when I felt his crotch bump in to me, I reached back feeling around and then... I got a handful!

As I grabbed his cock he pushed in closer and said softly "Finally!" I stood there massaging his cock and he said "Mmm you want to take this over to my place?" I asked him if it was close by and he told me that it was right across the street.

We left in a hurry and in minutes we were at his house. He showed me upstairs to his apartment with a nice big livingroom and a bedroom with a huge bed.

I sat down on the bed and switched the TV on and surked through the channels until I found a music station.

Hans suddenly appeared back in the room – fully naked. I cried out, "Woww!" A nice muscular tattooed body and a thick long flacid cock and big balls, all perfectly shaved. He had a bottle of baby oil and asked if I wanted a massage. I asked him if I could freshen up first and rushed out my clothes and into his shower washing myself and cleansing my ass by taking the shower head off for a good enema.

After about ten minutes or so I was back in the room all fresh and ready for that fine man and his big cock, I mean a massag. He told me to lay down on the bed, so I did. He squatted down on my ass and I felt his big cock against my asscrack. He took the baby oil and emptied like half the bottle on my back. I giggled and moaned.

He started giving me a body to body massage. His sexy body sliding over me as I felt his cock gliding up my back to my neck and down again. "Mmmmm."

I started rotating my ass and he grabbed my booty cheeks and pulled them apart, kneading my booty and letting his now half hard dick slap against my asshole. Suddenly he buried his head between my asscheeks and started kissing and licking my anus. "Hmmmmm, don't stop." I mumbled as he continued to rim me and massage my cheeks smacking them and fucked me with his tongue.

He drove me mad with desire as he licked my ass, smacking his lips mumbling things like "What a sweet ass," and "Mmmmmm, let me take care of this, mmmm."

I began to moan and grunt as he pulled my head back, his hard prick coated with thick precum. My lips were quivering as I gratefully gasped for breath. I took two, three big gulps of air and with his palms still on my ears, pulled me back in to him. My lips spread as his cock pushed into my mouth, half-way this time. And then back out. I felt my breath gasping on his wet cock as it bounced gently with my heartbeat in front of my lips... and then he pushed back in. Deeper this time -- grinding his balls into my chin. I took it all without gagging, getting used to it.

He shifted his grip, grabbing my hair with one hand and his other hand at the base of my neck, still balls deep. He pulled my head back -- leaving his tip in my mouth...letting me catch my breath, and then he shoved it all the way back in again.

My round ass was pushed out and waiting. He put his hands on it, working his fingers in toward my crotch, pulling my ass cheeks apart and slowly stepping in toward my, his cock bouncing slightly as it pressed against my leg. He worked his fingers down to my pussy and spread it open as he pressed his cock into me. My entire crotch was sopping wet at this point and warm against the head of his prick. He pulled my lips apart and pushed his cock in.

I closed my eyes, biting my bottom lip as he thrust all the way in. He moved his hands to grab my hips, and then began pounding in and out of me. I was quiet -- but he could tell I was holding it in. I didn't want anyone to hear. I had no idea how thick these walls were and what people outside might be able to pick up.

He kept jamming his cock in and out of my bald pussy, his thighs slapping against my ass. On one outward thrust he paused, cock-head still inside

I could feel it tighten around his thumb as his cock continued to fill my pussy.

and spread my cheeks wide to get a look at my tiny asshole again. It was tight and wound up like a little red sun. He pushed back into my pussy slowly as he moved his thumb toward my asshole.

I sucked in a little air with surprise as his thumb pressed against my tight hole. Reflexively, my butthole tightened as his thumb cautiously pushed against it. I think he could tell this was new to me. Not even a finger had been in my virgin ass.

Still grinding into me, he moved his other hand up around my neck and to my mouth. He slid his thumb into my mouth and I obligingly sucked on it, tonging it and coating it with saliva. He kept a steady rhythm, pushing in and out of my pussy as he pulled his thumb out of my mouth and pushed his thumb, now wet with my saliva, against my tiny puckered asshole.

I moaned, just a little, as he pushed harder. It was tight and didn't want his thumb inside even if I was willing, so he rubbed his thumb in circles around the tight hole, pushing my saliva around and trying in vain to loosen up that hole.

He started stroking into me harder and gave up with the gentle approach and just fucked his thumb into my asshole up to the first knuckle. I could feel it tighten around his thumb as his cock continued to fill my pussy. He held my thumb inside me and shoved his cock as deep as it could go. It was all I could do not to cum at this point. I pushed my ass up tight against him, taking all of his cock and most of his thumb simultaneously and that was it. I was done. I hadn't cum at all in Amsterdam and I hoped there was going to be a lot of it.

Hans' first load burst out of his cock so hard it almost felt painful. I could feel my sphincter tighten on his thumb and my pussy gripped his cock tight -- squeezing as I came with him. My pussy was literally squeezing the cum out of him...it felt like huge loads were exploding inside me. I gyrated crazily now and desperately pinched my nipples, pulling on them as I came.

Finally my throbbing subsided and he pulled out of me. He pulled his thumb out of my ass and I turned around, smiling. Hans stood there looking at me, his cock starting to slouch, wet with my juice and dripping the remains of his cum. I had my hand between my legs and worked two fingers up into my pussy. I brought my hand wet with my own juice and a pool of his cum. I held it to my mouth and licked it clean and swallowing it as I smiled at him.

Hans was my first Dutch treat!

ANGEL

Angel was looking to upgrade the windows at her house, and Alex just so happens to work for a window installation company. Alex appreciates the work and is eager to start the new job. They make their way to her bedroom where he is measuring the windows. He can't help but notice Angel motioning him to the bed. Stunned, he hesitates for a moment but then seeing her naked in front of him heightens his urge. Angel tells Alex that the windows really don't need fixing as she spreads her legs and urges him on, and in.

PAIGE

I may be what some people consider petite. I may be only five-foot-five and Jenner is five inches taller than me, but we make a perfect fit. Especially when it cums to his huge cock and my tight pussy. When he puts it into my love hole, it just drives me crazy. And I just can't wait for you to watch us fuck. There's so much more to our tryst than these few pages. Trust me, you'll love it. Yeah, so nice.

A horny hitchhiker who was ready to go all the way

Hitchhiking Ho

This was it. I was on my way to being a free man. I cut the wheel to my sports car, spinning sharply around the corner, leaving a strip of rubber as the ass end went out a few feet before I straightened her. Then it was all gas, hitting 85 mph on the wide-open road as I cut through miles of farmland.

At that speed, things come up on you pretty fast. So when I first saw her, she was little more than a dot along the side of the road. I sped by her like a blur, cruising fast, but I'd seen enough.

Her shirt fit so tightly that it was like an extra layer of flesh. Her large tits, obviously unencumbered beneath that t-shirt, shot me clean glimpses of hardened nipples. Eightfive is fast, but there are some things you can see at any speed.

Nothing was coming the other way, so I threw the car into a controlled spin. More rubber tattooed the asphalt as I accelerated back toward where I'd come from. Back toward her.

The windows were down, top down, so I rolled to a taxi-cab stop beside her. "Need a ride?" I called out over the purring engine.

She stopped, turned sideways, and bent over to see just who the hell was trying to pick her up. Her hair was a blonde-brown, cut in layers that hung over her shoulders. I took a quick glimpse of that before staring onto those hard nipples jutting into her t-shirt. "Which way you going?" she asked, neither smiling nor frowning.

I pointed straight ahead, "That way."

Now she smiled. "I mean, where are you going? Where are you headed?"

"Well," I replied, gesturing back over my shoulder, "I was going that way. But now..."

"Forget something?"

"Got a better offer. Look, why don't you get in before some rodeo cowboy in a pickup truck comes barreling down this road and backsides us to the next town."

She nodded, let herself in, and settled down on the front seat. "Nice whip," she said, running her fingers over the dash. She had on denim cut-off shorts ripped up the side seams, so far up that half her ass hung out.

I put the car back in gear and sped up.

She said, "If you don't watch the road, you might get us killed."

Her tits looked even better from the side view, hanging full and heavy, and a perfectly alluring shape. "Yeah, but what a way to go."

She giggled. "You're a horny one, aren't you?" She held her windswept hair away from her face.

We drove along in silence for a while, and then I asked her name.

"Chrissie."

"Tell me, Chrissie. How far do you go?"

"You mean where am I going?"

"No. How far do you go with a stranger? Someone you've never met before. Quick feel? Blowjob? Bang, maybe?"

"Hey, I'm just a clean-living farm girl."

"Sure you are. That sounds like bullshit to me." I patted her bare knee. "Open the glove box."

She gave me a queer look, then shrugged and did as I'd said. "Holy shit!" The glove box was full of money. I had no idea how much.

"Jesus! The smallest one's a hundred."

"Want one?"

She held a crisp new bill between her fingers; her eyes were wide.

Christ, I thought, don't salivate on the motherfucker or the ink will run.

"Want one?" I asked again.

She knew there'd be a payback, but it only made her think for a second before nodding yes.

"It's yours," I said, then turned down a winding side road that cut through tall lines of green-leafed trees. "Just take off your top."

She stuffed the bill into the tight pocket of her cutoffs and peeled her shirt away, dropping it by her feet.

I reached over and grabbed a feel of her left tit, thrilled by the way it filled my grasp. We hit a bump and she jiggled heavily in my hand. "Fantastic," I grinned.

Chrissie smiled, easily praised. She was catching on faster than most, making no attempt to cover her tits with her arms. Instead, she slipped another hundred from the glove compartment and looked at me.

"It's yours. Just get out of those shorts."

That bill went into her pocket along with the first, and she wriggled the tight-fitting denim down her hips, kicking it free over her feet. Her arms were at her sides as she shifted position in her seat to face me. Parting her legs, drawing one knee onto the console, she gave me an inviting look through her light-brown pussy hairs onto soft pink folds.

My fingers played with her, separating her vulva and poking inside. "I'll get wet fast," she promised. With my hand resting on her warm thigh, she pressed loving fingertips between her legs, masturbating her cunt, working up and down against her slit, sighing when her clit got primed. "Yes," she panted. "It's getting there. Oh, yes. I'm getting wet for you." Her eyes were darting from my eyes to the glove box—and all that money.

I massaged her pussy, slipping two fingers inside. She had gotten very wet, very fast. "I'm impressed," I smiled, then nodded for her to take another bill. She secured it, looking greedily hungry now. "What else? What else do you want me to do?"

I stopped the car. We were close to the river. All alone. A much untraveled area of the county. "That's it, babe," I said, playing with her. "Take your bucks and skip out."

That stunned her. "What? No, really. I'll do anything you want me to. Want to see me dance? I can really dance. Watch; you won't be sorry." She didn't even look to see if anyone else was around. Chrissie jumped out of the car and started dancing, throwing back her shoulders, arms out to her sides, jiggling those twin beauties like tits were meant to be jiggled.

Her hands went down her lean flanks, on to her ass, spanking herself, then coming over her thighs

and going into her cunt. She dropped to her knees in front of the car, bent over backwards and sent her hands diving in between her legs. She pulled open her pussy, showing me a wide spread of satin wetness. "Take me," she cried. "See how wet I am for you."

My cock was about ready to burst in my pants, but I kept up the poker face. "Doesn't do anything for me," I said, leaning on the door.

Chrissie rolled onto her ass, getting a light coating of road dust on her tanned skin. She saw a thick-trunked tree alongside the road and ran to it. Bracing her back against the stiff-looking bark, she raised her arms above her head, grabbing vines that wrapped around the tree. God, was this girl hot.

The absolute cream of the creamy crop. I'd seen

a lot and my head was still spinning. I should have gotten an Academy Award for what I did next, which was to shrug and say, "Sorry." Chrissie dropped to her knees. "What do you want?" She grabbed her tits and shook herself. "Anything. Fuck me. Any position. Up the ass." She licked her lips. "I'll blow you—and swallow."

That good an actor I ain't. Besides, I'd gotten a good string of freebies there.

Chrissie was practically ecstatic when I got out of the car. "Yes! Yes! I knew I could do something else for you. A blow job. Is that what you want?" She knelt in front of my legs and yanked my belt free, then tore my zipper down so hard it practically ripped out of my pants. She had my cock in her hands, stroking it, and then lapped her saliva-coated tongue all over my shaft, taking me into her mouth, sucking with a fan-

tastic passion as more and more of my length disappeared through her lips.

Chrissie had a way of giving head that made it seem like her tongue was everywhere all at once. And the way her cheeks squeezed in and out... There was nothing for me to do but hang onto that beautiful long blonde mane and ride her mouth. I was thrilled by the sight of my cock as it plunged through her wet lips.

The first spasm of my dick set off bright climaxing lights behind my eyes. Things were really spinning now, and wad after wad of pulsing cum blasted into Chrissie's mouth. She gulped it down, her tongue never stopping.

It seemed like she could make a come last forever, pushing her fingers lightly against my balls to get every last drop of cum shooting into her mouth. Chrissie was still stroking and sucking when my legs gave out and I collapsed onto the ground beside her. Even then she came down on top of me, licking my spent cock clean, kissing my balls.

Some 'clean-livin' farm girl!' I gave her two hundred more for the blowjob and another hundred to ride back to the main road without her t-shirt on. What the hell did I care? It wasn't my money. It wasn't even my car.

Which is why as soon as I dropped her at some out-of-the way shopping center, I parked the car behind a row of trees and made a call.

"What the hell happened to you, Kemp?" the voice demanded at the other end of the line. "You were supposed to dump that stuff and get back here."

"Yeah, well..." This was great; I'd phoned in without thinking of an excuse. Finally I thought of something. "Cops."

"Cops? Holy fuck. Were you busted?" There was panic in Frank's voice.

"Um, no. Just running."

"Where are you, Kemp? We'll send help."

"No, Frank. No... uh, don't do that."

"Why not?"

"Because... Shit! I gotta go." I jammed down the phone. Hopefully that did it.

Just then I saw Chrissie bounce out of the convenience store with a girlfriend. She was showing her friend the money. How nice. And walking toward a bank. Oh, fuck. My clean-livin', blowjob-suckin' farm girl was going to put the money in her goddamned college fund. Jackshit! I ran to the car and took off. Fifteen miles later I ran out of back roads. I ditched the car and then, looking as much a country boy as any city hustler can, I strolled toward the main road.

Luck happened to be in the breeze the same direction as I'd headed, because half a mile away I came across a kindly lady having a yard sale. She either had a son or husband about my size, who'd tired of wearing the same clothes, and in the midst of some faded dresses was a half-decent looking suit that fit me like it was tailor-made. Ah, to be average sized.

She looked a little suspicious at me when I paid her with a hundred dollar bill, so I kidded, "Just printed them in the basement this morning." She chuckled. I wasn't lying, so I told her to keep the change, then laid low till dark.

There was a chic little town nearby that was trying to be Georgetown and failing. But the bars drew a good crowd even during the week, so I blended in.

It was time to play what-will-you do-for-a-hundred-bucks again, so I started looking into the eyes of the female patrons. By the time you've hustled a few hun-

dred people, you pick up little clues almost by second nature. That's because once a hustler always a hustler means you've got to keep hustling, which means you've got to keep from getting caught.

She was sitting smack dab in the middle of the bar, surrounded by five guys who were all trying to seem inconspicuous as they pawed at her and bought her drinks. She had shoulder-length brown hair that was thick and loosely curled. She wore a mini-dress, blue with red-and-white patterns running across it, and light-tanned cowboy boots. The front of the mini-dress buttoned, but she didn't bother with any fastening mechanisms besides a belt at the waist.

I caught the bartender's attention and ordered the most expensive bottle of champagne he had.

"Cost you one-fifty," he said, obviously thinking he was going to make me pass out on the spot.

I flashed him a wad of hundreds. "No sweat."

He raised his eyebrows and went off after the bubbly, as they called it in back in the day.

I waited until the bottle was uncorked with an effervescent pop in front of my lady mark. Her would-be fuckers eyed one another wondering who was paying for this latest ride.

Walking in my best-practiced swagger, I eased between the three dudes to her right, whipped out the hundreds, slapped two on the bar, and said, "Keep the change," to my new bartender friend.

The lady's eyes sparkled. She had hooks she was moving into position to sink into my libido. I played along, oh so innocent, as the other five guys, my ex-competition, faded into the background of noisy music and swirling dancers.

I poured her a glass, giving her time to shift sideways so that I could see down the front of her mini-dress.

Her diamond earrings sparkled. No doubt they were a gift from a previously pleasured man she'd known. 'What's your name?" she asked, sipping about two bucks worth of champagne.

"Kemp." I kept one eye on the bartender, glad to see that he simply shoved my two hundreds into the register, too busy to walk them past the boss's eyes in the back room.

"Never seen you here before."

"Never been."

She crossed her right leg over the left and out slid a whole lot of thigh. "Like it here?" she smiled, rubbing her legs slightly up and down in the most provocative way.

"I do now."

First her knee touched mine, and then she brushed her thigh against my leg. The whole time she watched my crotch, smiling when she saw the material bulging. "My, my," she cooed. Her fingers quickly ran inside my leg, glancing like a feather over my crotch. "About nine inches."

The chick was either too quick with flattery or a bad judge of distance. She said, "I could use some of that right about now. It's been a while. And warm weather gets me so… hot."

What a pro, I thought. She must have been able to melt these locals with a single twist of her hips. But

I could play a sucker as good as the next guy. I said, "Why don't we take this with us?" as I grasped the champagne bottle by the neck, her by the waist, and headed for the door.

We went to her place in her Mercedes. It didn't take a genius to realize that she'd nailed some horny doctor for the car and was set up in a pad by some corporate exec that'd tired of working 12- hour days and faking it with his wife. I assumed both the doctor and the corporate boy had family obligations Wednesday nights.

Her townhouse smelled like a mix of perspiration and the perfume of a woman just about to come.

"Make yourself comfortable," she offered, pointing to a very soft looking sofa. "I'll be right back. Don't drink all the champagne."

I watched her strut down the hall toward, I assumed, her bedroom. Halfway there she stripped out of her dress, carrying it in her hand as she walked naked.

I followed and caught her posed by her four-poster bed, about to slip into a pink teddy. "Don't bother," I said, taking the lingerie from her grasp and throwing

it onto the plush carpet.

Her lips came to mine, filling my mouth with a sweet-tasting tongue. Her firm breasts felt tender and full in my hands as I massaged her nipples into erections.

"I want to fuck you so bad," I moaned, forcing my body to quiver all over like I was losing control. The hard-on in my pants went well with the act. "Yes," she panted, returning the performance. Then again, maybe she was into it.

By that time she was spread-eagled across the quilted comforter, showing a puffy view of soft pussy lips between a slip of curling hair.

"Do it to me," she urged. "Fuck me."

I stripped and settled my weight between her held-open legs. She looked so good, sounded so vulnerable, that I had to fight not to get too carried away.

"Suck my tits," she urged. "Go ahead. Do them. Do them!" Then again, what the hell.

My fingertips caressed her breasts; softly at first, then with an increasing tension that had her yelping. The pressure in my cock was intense. Being with chicks who like it a little rough does that for me. And she really seemed turned on by it. Her pussy was overflowing with a wet passion that came onto the insides of her thighs.

"What a body," I moaned. "Fuck me. Now. Put it inside me." She hoisted her ass up from the mattress, and then bounced down onto it, shaking her whole body.

I thrust into her and become immediately lost to the hot wet squeeze of her pussy. Boy, this girl knew how to move her ass beneath me—side to side, turning slightly, raising, and lowering.

She gasped. "All the way. In and out. In and out. Fill me with it." Her jaws gritted together, separating only when the cries of her orgasm burst from her throat. I pumped harder now. Faster. Feeling the entire length of my shaft primed. That first burst of passion bit through my loins, then the second bit, followed by flowing jets of ecstasy that filled her with my semen. "Keep your cock inside me," she whispered."

And so I did. Long enough to scout through her apartment and pick up a few items—gold jewelry, anything with large diamonds in it, the easily fenceable stuff. And I took the Mercedes keys, of course.

It was one in the morning when I left her. First I'd made sure she was sound asleep, because I needed all the head start I could get. The Mercedes ran like a charm, missing a little up at the 90 mph range, but it got me out of the state and halfway through the next by sun-up.

I had a smile-filled reunion with a fence I'd almost gone to jail with five years ago. He gave me a grand for the jewelry. And 10 cents on the dollar for the counterfeit bills I'd stolen from my now ex-boss the day before. And the Mercedes was worth four grand. All of which left me with five Gs and some change.

Mexico was a bit south, but before I crossed the border I made a call to my ex-boss's right-hand man. "Hey, Frankie!"

"Where are you, Kemp? You were supposed to dump those counterfeit bills, not spend them, you

asshole. Marino's gonna have your balls, boy. Just so happens a friend of ours saw you blowing a wad at some bar last night. If he'd have called in sooner, we'd have had your cock cooking with the other sausages for breakfast. Your quick exit saved you. For the time being."

"Frankie, you sound so serious. It'll stir up your ulcer. I'm just calling to say goodbye. I think it's called rubbing it in."

"Kemp, you little—"

"Bye-bye, Frankie." I hung up. And that was that. For years I had dreamed of being my own boss. Of giving up playing the Big Man's go-fer, gunner, sweet talker, and conniver. I knew I was good enough to make it on my own.

The American Dream. Start with a few Gs worth of poorly printed counterfeit hundreds and turn them into five thousand real bucks within 24 hours.

Now, over the border into crime ridden Mexico, where the American dollar buys lots more than what it did two years ago. Time to play a little "What-will-you-do-for-ciento-pesos, senorita?"

Ah, the beauty of free enterprise.

When three girls are all on set sparks are sure to fly. Give them some toys and a concept to enact and the sex sells itself. Better yet these lovely ladies don't need to be asked to fuck, they were titilating with joy as they came on set. Once they got started the three hour affair became a daytrip to tittytown.

Abby & Allison

As most young couples know you cant get to much more intimate than showering together. When we got under the water together as the heat started to rise and the steam shrouded the shower, we knew we could take it a step further. Leaving the shower wetter than a towel could handle, our bodies were shaking to get into bed and spend the morning entwined in one another.
