FOUR YEARS IN COLLEGE AND I NEVER SAW BOOBS LIKE HERS

I decided to move off campus for my senior year here at the university. I was in the dorm last year but want to be a bit more independent and start a real life. I've come to learn that I have to make my own meals, go grocery shopping, do my laundry and all kinds of grown up stuff. But it also means I have my own apartment and I can do whatever I want – to whomever I want.

The off campus neighborhood that I live in is full of students like myself, all going through the daily motions of school and after school. Some of my weekends I spend on campus, but more and more I'm off campus. Across the street live the Harmons. The oldest daughter is named Marsha and she's a senior also but she's in the Engineering College.

She's a very pretty girl with a caring heart. When I moved into the neighborhood, my dog ran away and she helped me find it. Afterwards we became friends and walk to school together and talk about all sorts of college-type things. She would tell me about her boyfriends. I told stories of my girlfriends... about love and hate and infidelity.

Marsha said that when she first went to college she started wearing skimpy tank tops that showed off her body and especially the size and shape of her gorgeous big breasts. Her shorts became shorter, and she got more adventurous with her love life. Her vow of celibacy was out the window by her sophomore year. She even admitted that she had developed a reputation as a champion cock teaser, a young

I moved off campus and immediately saw one of the advantages

lady who let everybody know just what she had but didn't let just anybody touch.

I suspected that she had a boyfriend in college. Still, she was always friendly to me, and I saw a lot of her at one place or another in the neighborhood. She worked out at the athletic club just down the street from our houses. I worked out there as well, and we often spend time together there. She always wore running shorts that were as thin as skin and a slim bikini top that allowed her ample boobs plenty of fresh air as she worked out.

One afternoon after working out at the club, Marsha and I walked

home together. She told me that she was feeling stiff from the workout and asked if I wouldn't mind giving her a short massage, and she would return the favor. For me, opportunity merely to touch her, even if it was just a back rub, was like a dream come true! Yes, I have had those types of thoughts about her, but have been very careful not to say or show anything about my lust for her, and her breasts.

As it turned out, Marsha's parents and siblings weren't home, so we had the house to ourselves. She led me right into her bedroom, kicking off her shoes along the way. I followed her like a dutiful puppy through the hallway and up the stairs to her room. When we got there, she plopped herself face down on the bed. Her shorts outlined the shape of her sexy ass. It was wiggling invitingly, and filled my head with all sorts of ideas.

"This is going to feel good," she said, slipping off the shorts. I had no idea they even made such skimpy pants. These were tight and revealing. "Oh well, I guess I might as well take this off as well," she said, slinking out of her top, letting those big glorious breasts loose and pressing down against the bed from her body weight.

She had a small bottle of massage oil that she kept in the night stand drawer; and laying on her tummy reached over, opened the drawer and pulled it out. I took it, put a little on my hands and rubbed them together to warm it up. Then, standing by the bed, I proceeded to run and knead her back with long soft, but strong strokes as she moaned beneath them. I worked the oil onto her long athletic legs, being care-

ful not to get too close to where I shouldn't be going.

Then abruptly, she rolled over as I was working her feet. Her hips came first and her breasts followed. She made no attempt to cover them, but rubbed them a little to wake them up after lying

said that I forgot a couple spots. I laughed nervously and apologized saying I didn't want her to think wrong of me. She just smiled as my second hand came back and caressed those perfect fleshy, mounds.

Her nipples got harder and hard-

on them. As she did, I noticed her nipples harden just a little. She looked at me as if to say, 'what are you waiting for?'

I warmed up some more oil on my hands and took a couple steps up the bed to begin with her shoulders. She closed her eyes and started those sexy low murmurs again and my pecker was raging inside my shorts. I worked my way down her chest, trying not to touch her nipples. I massaged the sides and under her breasts but stayed away from the tops. She took one hand and pulled it back to her breast and

er as I swirled the oil on them. Her moans got a little louder but I kept my actions righteous. Not wanting to linger too long, I moved down her body to her thighs and continued there all the while looking back up at her large breasts. When I got up to where her legs meet her hips, I slipped a hand under her panties and into the crease, rubbing and pushing down so she got a good massage. She suddenly lifted her hips and in one swift motion Marsha pulled her panties down and off her legs saying, "You can't do a good job with these on."

Suddenly the room filled with the musky smell of wet pussy. We had showered at the club, but the massage must have ripened her lady parts. With my monstrous hard on, I was tempted to take off my shorts too! With her legs spread and her ass lifted slightly, Marsha's pussy was about to get it's own massage. Her lady mound was clean shaven, about three or four days ago, because stubble was reclaiming the surface once again.

Mostly though, what I saw were two tantalizing pussy lips, glistening with the oil I was applying to them. My cock was twitching uncontrollably and she must have noticed. She ran a hand up my

But before I could answer, she had my shirt off and was easing me onto my back. She pulled my shorts down past my knees, then my underwear, which snapped past my cock. That didn't surprise me, since I felt as hard as a hammer. I closed my eyes, waiting to feel her turn me around so she could rub my back. But the next thing I felt, however, was her warm, wet mouth on my firmness. I opened my eyes to see her head moving up and down and her soft warm tongue lapping all of my cock with amazing energy.

"I hope you don't mind if I skipped the massage and do this instead." She didn't wait for

me over the edge. Then she took my balls in her mouth and gave them a good soaking. I felt her tongue separate them and lick each one. I said, "Are you trying to make me cum?"

She went to work at a feverish pace, taking my meat all the way in her mouth again, her tongue moving against it like dog licking his last bone. Every few seconds she'd take her mouth off my cock to urge me to shoot my load. Finally I was ready to explode and told her so. Marsha backed her head away but kept pumping with her hand until the spunk flew out of my pecker in a torrent of light globs that landed right on her huge boobs. Pushing one up to her mouth, her tongue playfully licked at the pearly drops and lapped them up, all the time stroking my cock until it was emptied and soft.

She then crawled up on me and sat right on my face. "Sorry, you'll have to finish me off now. That got me too excited!" she said. I thrust my tongue deep inside her wet slit as she held her pussy lips apart and fingered her clit. With her other hand she rubbed my cock bringing it back to life and when it did, she leaned over and took it in her mouth and sucked it in. Her sucking suddenly stopped and she finally came as her body shuddered on top of mine. She straightened up, got off me and gave my cock one last lick.

leg and found it. Without saying a word, she looked up at me and squeezed. I nearly collapsed right there. It was all I could do to keep from cumming in my shorts when Marsha said, "Would you like me to do you now?" I cannot tell you what I was thinking at this point.

an answer. She just went right back to sucking me off. Marsha's mouth moved smoothly up and down my cock. Her teeth never touched it. I could feel the tip of her tongue massaging my sensitive vein. She stroked me as she stopped sucking, almost sending

Marsha and I have since spent many such afternoons together. We go down on each other all the time and she has learned to swallow my cum. And thanks to her, I have become an expert at eating pussy. Now that's what I call a lesson learned.

Pornstar

Interview

Brett Rossi

Sitting in the far corner of the room, we watch the porn scene unfold in front of us. There are six in the crew and a couple extras that walk through the start of the scene are sitting nearby. The director sets the scene with Brett Rossi and her love partner for the day. Suddenly the video cameraman says he's having trouble with the camera. He's going to need twenty minutes to figure it out. Brett stands up in her stunning nudity and walks over to us without even picking up a robe. I cannot take my eyes off this amazing creature as she approaches.

BLAIR-NTS-00

Pornstar Interview

Brett Rossi

Thank you guys for coming. I'm afraid I only have a few minutes now and unfortunately, I can't stay after the shoot, so let's do it.

No problem Brett, we'll be brief and let you get back (trying desperately hard to look her in the eyes). You've probably been asked every question in the book, so we'll get right to ours. Let's talk about sex. Okay?

Of course, that's why I'm here.

Let's start right at the top. You have a sexy mouth. How do you like use it and your tongue?

Wow, no one's ever asked about my mouth except about giving blow jobs. I like using my mouth and tongue. It's really one of my most sensitive spots, I like kissing and I like licking pussy. My tongue is usually pretty active so Frenching and ticking into a kitty hole is fun. I also, of course, like the control it gives on a blow job. Adding a nibble with teeth here and there usually gets guys off. Now you've made me think more about it!

Your perfect nipples. Does touching or licking them get you off?

Yeah, I like having them touched and sucked. They get really hard and I can get excited if they're stimulated. I can't say that I've ever cum just from them, but other girls have told me that have. I will admit that if it goes on for too long they tend to get pretty sensitive and then it hurts.

And your boobs?

I gotta tell you, I think they're more for others. I like them and they make me look good in clothes, but, for me, they only add the visual during sex. All anyone can do with them is hold or touch the, I like the sensation, but it's not a sexual feeling. When I watch porn and focus on boobs, they look good and I can see guys enjoying the look of them, they really aren't sexual organs. Just maybe sexual stimulants.

(She's rubbing them and pinching her nipples right in front of us, teasing and smiling back.)

Can we move a little further down now? Before you describe your pussy, tell us about hair or no hair down there.

Okay, well, I go through phases myself whether to have hair or not. Obviously if a scene or director doesn't want any, I shave or wax it. And I know, having licked many a pussy, that no hair is the way to go if someone is spending any amount of time down there. In my personal life, I like to just let it go. Upkeep can be such a chore.

My pussy? Yes I have one and I know how to use it. It's my livelihood and what makes me who I am. I think mine is nice and my labia don't get in the way. Trying to describe how it feels during sex is like me asking you how your cock feels. Unless you have one, you can't describe it.

(I see the director waving his hand in a circle to us saying to wrap it up) Last question, tell us about your butt.

My butt? I think I know what you're asking but just let me say that I work out and do pay special attention to my backside. Doing what I do, it has to be in great shape and I like wearing short shorts and bikinis. Even I don't find a lot of jiggle and cellulite appealing, but I'm also a realist that not everyone can work out or have good genes, so I'm very fortunate. I won't tell you what I do in my personal life because some things have to stay private. Besides, most of my sex life is out there for almost anyone to see. Thanks guys, but I gotta go. Hope you got what you wanted.

Yes, yes we did, and pay special attention as she walks away.
